

Abandoned Land License Agreement

License:

1. You may display the Abandoned Land NFT you own publicly or privately solely for personal, non-commercial purposes.

Restrictions:

1. You may not modify the artwork.
2. You may not use the Artwork to advertise, market, or sell any other product or service.
3. You may not use this artwork for any commercial purpose.

Ownership:

1. You acknowledge that the Abandoned Land Creator owns all legal right, title, and interest in and to the artwork.

Indemnification:

1. You shall indemnify, defend, and hold harmless the Creator of Abandoned Land from and against any and all claims, suits, demands, actions, losses, liabilities, damages, judgments, penalties, fines, expenses, and other costs (including reasonable attorneys' fees) arising from your breach or alleged breach of this Agreement.

Limitation of Liability:

1. In no event will the creator of Abandoned Lands be liable to you for any special, incidental, exemplary, indirect, punitive, or consequential damages (including loss of profits) with respect to the subject matter of this Agreement.

Terms and Conditions:

1. The creator of Abandoned Land will to their best ability send the Chia Asset Token of the type and amount listed in the metadata, to the owner of the NFT daily. This is subject to change at any time and without notice.
2. If a payment is missed, a best effort attempt will be made to make up for the missed payment.
3. There will be events that may disrupt payments for a short period of time as a course of how the resource trading takes place on chain. For example, there may be a sickness in Berdea (the fictional town where Abandon Lands takes place) which will cause a reduction in the amount of ALWork tokens distributed for the day.
4. Payments of these tokens will happen once per day and are dependent on network congestion. If there is a dust storm or transaction volume is too high, payments may be deferred to later in the day or the next day.
