

The Chunks NFT

CC0 License Agreement

Between The Chunks NFT, the “Licensor” and You, the “Licensee”.

- A. The Chunks NFTs are CC0¹. This means you are free to use them as your PFP on Elon’s app, print them on your shoes, make derivative art or do whatever you want.
- B. As for the background image, which has been lifted from Chia.net², The Chunks NFT believe its use falls under Fair Use as defined in article 107 of the Copyright Act³ and Chia Network is cool with it⁴.
- C. The CC0 license does not extend to the material used under fair use. This means you need to ask Chia Network if you want to use the background only on your shoes and other stuff.
- D. Use of the background does not constitute endorsement of The Chunks NFT in any way by Chia Network.
